with Master Trainer Clara Medina

ABOUT ME:

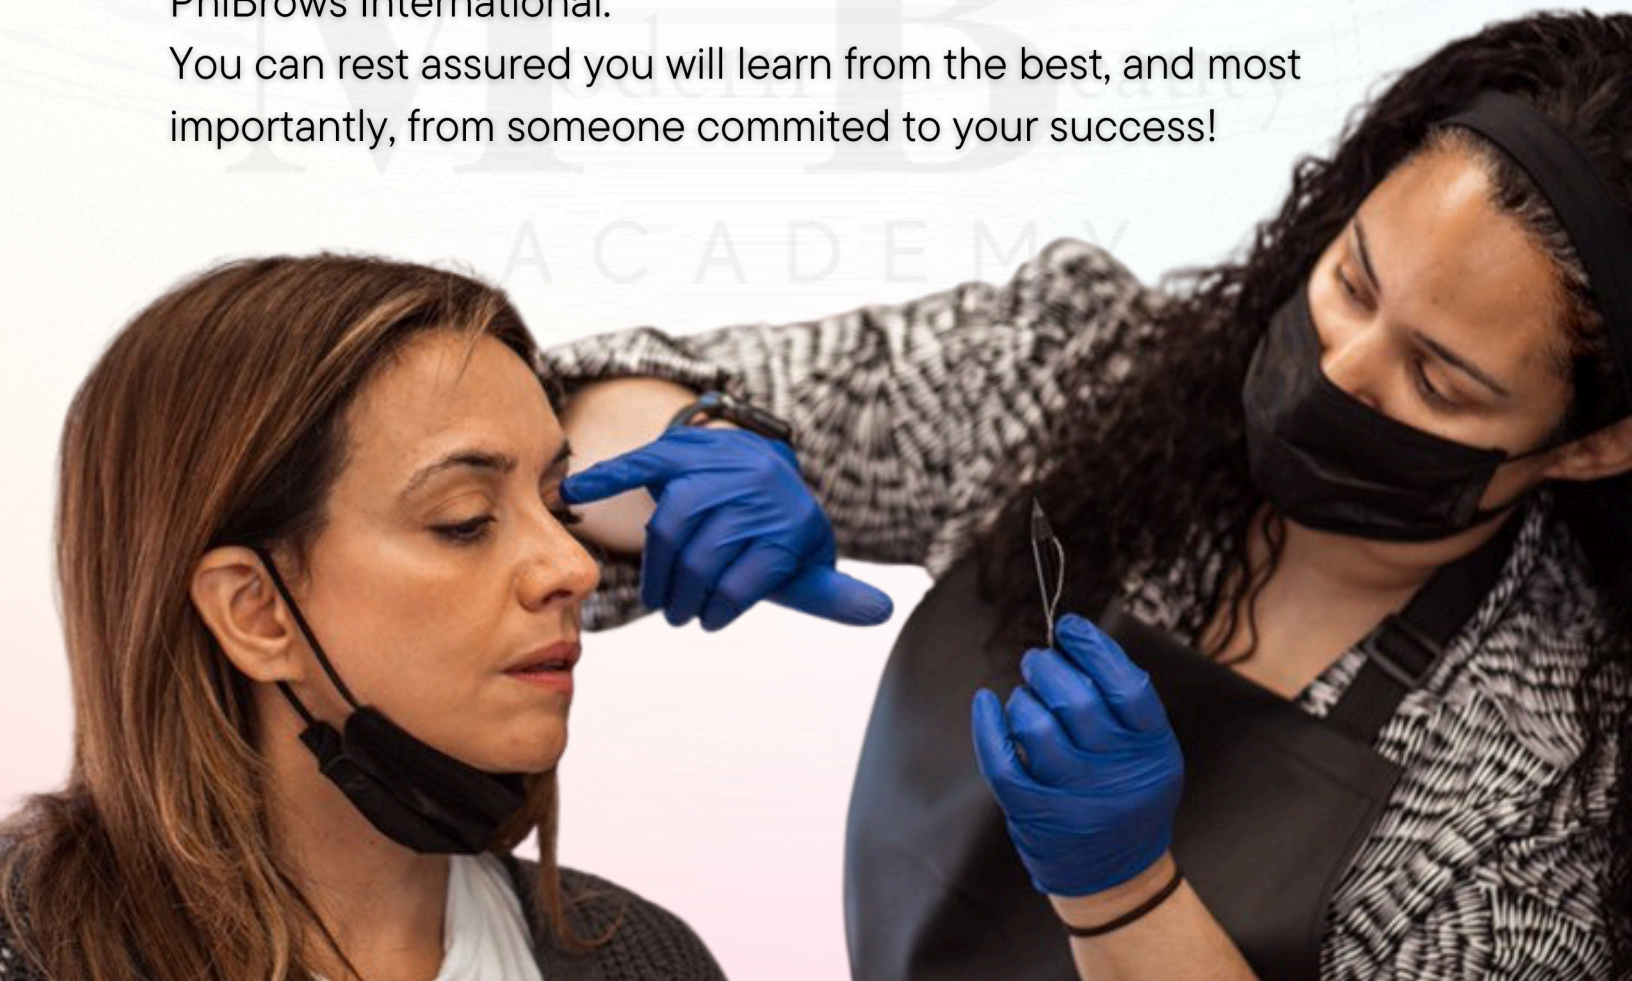

I started just like you.

Constantly empowered by helping others regain their confidence, self-esteem and joy, I founded Modern Beauty Studio Academy to share my knowledge and expertise with aspiring women and artists interested in Permanent Makeup and Cosmetics.

I am well-established American Academy of Micropigmentation Platinum Trainer and Contributor and a Permablend Pro-Tream member. More recently I joined UK based ID Liner as a USA team member so all my students get annual free online trainings!

Through the years, I've gained recognition from several industry brands such as Permablend, Beauty Angel, Hyve Beauty, and PhiBrows International.

You can rest assured you will learn from the best, and most importantly, from someone committed to your success!
